“ Not mentioned in the obituary was Fred's mother Helen, who carried him on her back when he couldn't walk far. Fred was the kid brother of my late father, Nick. Condolences to Sally and to my cousins Mike and Tina.

“ I remember Fred ever since we were in grade school. Having one leg shorter than the other never slowed Fred up. Even in Gym class Fred could keep up with the other class mates. It was always a joy to see and talk to Fred. Sorry to hear about his passing.

“ So very sorry to hear this. Freddie was my first boyfriend, back in Eighth Grade, in Beaver Falls, PA. We went to the movies, school events and he bought me a corsage for Easter. His wife was the best friend of my husband, Frank Witte's sister, Connie. We usually visit them when we are in Florida. And get together when they came to PA. He will be missed. Our sympathy to Sally and the family. Freda (Lodge) Brenner Witte

“ I Have so many great memories of Fred its hard to pick, between christmas bingo, 'testing samples' with John, playing pinochle, and taking him to the Charlotte Motor Speedway. He was a wonderful father and grandfather, but most of all.. It was the way he loved my mom and how he took care of her. He also gave me a wonderful sister and brother. You are in my heart forever.

“ I have so many great memories it's hard to pick. I guess some of my favorites are Christmas bingo, Fred “testing samples” with John, Playing pinochle taking him to the NASCAR track just to name a few. But the best memories I'll ever have is what a wonderful father and grandfather he was. But most of all it was away he loved my mother and took care of her. He also gave me a wonderful sister and brother.
