“ My condolences to the Perez family. I worked with Mr. Perez at Eustis High. He was always smiling and happy to talk about his family and loved ones. Whenever I saw his car with the Perez tag it made me smile. He was always kind and a true gentleman. I just can't believe he's gone. I had no idea that when I saw and spoke to him on Monday the 4th at the school that would be the last time. I will truly miss him and my prayers go out his family.

“ Your father was by far my favorite neighbor. We met years ago at the pool, bonding instantly over our Boricua pride, and he's had a special place in my heart since. You will certainly be missed, Jack.

“ Our sincere condolences to the entire family. I worked with him at Eustis High. Each morning he would have a conversation about something in the cafeteria. He was such a spiffy dresser, and loved life. He will be missed severely by everyone that knew him. He loved being a grandfather and father.

“ Your dad and I met in 2009 and spent a summer hanging out by the pool, working out and drinking coffee. We became instant friends talking about kids, mutual friends and sports. Even after I moved we continued to talk and meet for coffee to catch up. He always had a joke or funny story to share. You will be missed by all. Love you Jack!!!
